DETAILED ACTION

Information Disclosure Statement

1. The information disclosure statement (IDS) submitted on 06/28/04 is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement has being considered by the examiner.

REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance: the prior art discloses an end cap for a miniature electric motor in which the end cap has an insulating material and the cover made of conductive material, the body supporting two brushes for making contact with the commutator, two motor terminals and an electro-magnetic interference chip. However, the prior art does not teach, in combination with the invention that the electro-magnetic interference chip has three terminals in which two input terminals are connected, respectively, to the two motor terminals of the device and one earth terminal is electrically connected to the conductive cover of the end cap.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
